

Below is the latest list of vehicles that we have in stock for customers who have experienced difficulty in obtaining credit, on Contract hire and Purchase agreements.

If you do not find what you are looking for, or already have a vehicle that you would like us to finance, please give us a call.

Listed below are vehicles based on four year Contract Hire, 15000 miles per annum non-maintained contracts, with 4 months initial payments, unless stated. All prices are plus vat except the HP & CP quotes which do not have VAT.

All our Contract Hire agreements now have the facility to upgrade without penalty after 2 years (conditions apply)
